Dear Parent / Guardian

Exciting Clubs for your Children!!

We are happy to be writing to you to inform you of two local clubs available to your children - packed full of great games, crafts, challenges, sports and experiences!!

The Boys' and the Girls' Brigade are two international children's and youth organisations - and two of their clubs meet on your doorstep at (insert name of church and address). A typical evening consists of a range of engaging and interactive activities, all of which are designed to help your children to not only have fun and make new friends, but to also develop to their full potential!

Who runs the clubs?

The clubs are run according to Christian values by trained and experienced volunteers all of whom have undertaken the necessary Criminal Records Bureau checks and children's work training.

When do the clubs meet?
