Recycle 4 Charity.co.uk

www.recycle4charity.co.uk

Recycling inkjets, printer cartridges and old mobiles couldn't be easier: Free promotional material, advice and information provided in order to raise funds for the charity of your choice. It's environmentally friendly - £1 donated for all empty original inkjets and up to £30+ per mobile phone received. You can even get your recycling bags customised with your own logo!

Was given this website by a GB company in Sheffield - Our company has just received it's first cheque for £25.00 It's so simple to do.

Add this page in your resources folder, in the section for 'More Opportunities'

Any other suggestions to include – do let me know.

From Methodist Children:

www.peacebuilders.info

Children for Peace is a programme of church partners in India and the UK, working together and sharing what we know about the ingredients of peace and how to take steps towards it.

Starting with groups of children we aim to use our enthusiasm for peace and our belief that we can take steps that make more peace day by day.

Learning about peace builds understanding and commitment to justice and co-operation.

The Peace Box will give us practical steps to take in our own lives, in our communities and in the world.

Lot's of resources available including video clips about this new initiative
