

Pasta Picture Frames

You will need

Old newspaper, bags of assorted dry pasta shapes, glue, thick card (cereal box type), scissors, sticky tape, metallic coloured spray paint.

Cut two squares of card the same size, cut the centre of one of them to make a frame.

Stick together on 3 sides (to allow photo to go in)

Glue the pasta shapes around the front of the frame – allow to dry
Make a stand and tape to the back

Carefully spray the whole thing in metallic paint
